Called for Saturday Night.

President J. G. McDonald of the Descret Agricultural & Manufacturing society has issued a call for a meeting of the board of directors for 7 p. m. Saturday to consider plans for the holding of the proposed diamond jubileo fair of Utah in 1907. The plans, as outlined in full in Sunday's Herald, are to interest the states of California, Oregon, Washington, Idaho, Montana, Wyoming and Colorado in the project. Such a fair would be the only one ever held truly representative of the intermountain country.

President McDonald could add nothing last night to what has already been said on the subject. He said that at Saturday night's meeting other business matters of interest to the state would be transacted.

A PERFECT FOOD.

That Scott's Emulsion should act so quickly and satisfactorily in all cases of lost flesh and continued wasting is not surprising when its food value is understood. With pure Norwegian cod liver oil, hyposoda and glycerine, there | Western Conduit Construction Comis combined in Scott's Emulsion the best elements of nourishment and strength building known to medical science. Any physician will tell you this. The use of these ingredients in the proper proportions; the employment of only the purest grade of each, and to combine them perfectly is the secret of the success of Scott's Emulsion.
